HOW TO DISPOSE

- **Wrap it Right** – Place the used pad in the biodegradable disposal bag provided.
- **Seal & Bin** – Secure the bag and dispose of it in a dry waste bin.
- **Protect the Planet** – Our pads are made from plant based top sheet and bags decompose naturally, ensuring a greener future.

Confidence isn't about what you wear, but how you feel inside. 91 is for the women who redefine strength.

Your purchase is more than a choice—it's a gift of dignity. Buy one, and we'll donate one to someone in need.
